Kittrell's Springs Female College.
GRANVILLE COUNTY, N. C.

THE NEXT SESSION of this Institution will open the second Wednesday in February, 1868.
The location is unsurpassed for health and accessibility.
During the past session, in a family of nearly two hundred, there has scarcely been a case of sickness. The health of many invalid young ladies has been thoroughly restored by the celebrated mineral water found here, and they have prosecuted their studies with entire success.
We are immediately on the Raleigh & Gaston Railroad, within less than a half mile of Kittrell's Depot, and in telegraphic communication with all parts of the country.
Every facility is afforded for the most thorough and extensive Education.
The Faculty is composed of five male Professors and seven lady Teachers.
Everything is new. Our musical instruments, including Piano Organ, Harp and Guitar, are of the finest quality.

Special attention paid to thoroughness in the English Course.

TERMS MODERATE AND ACCOMMODATING.
The young ladies all worship in the College Chapel, and hence no extra clothing is required. Millinery is in no demand at Kittrell's Parents tell us that their daughters cost them less here, in this respect, than even at home. Taking into consideration the items of dress and medical attendance, there is no cheaper school in the South. Besides, we are determined to accommodate our patrons as far as we can, as to time of payment, and to put female education within the reach of the people, in the present depressed condition of the country. OUR DAUGHTERS MUST BE EDUCATED.

3. Its dividends have averaged 30 per cent yearly, and are payable on the amount of premium paid by the insured.

7. Its rates of assurance are as cheap as any Company doing a safe business.
8. It will not insure an unsound life.

10. It has no connection with any other Company.

Relative character of the Companies operating in North Carolina, as to their Assets and Liabilities, taken from the New York Insurance Report for the year 1867, which is the last report—showing how much of Assets each Company has to meet each dollar of Liability:

North Carolina Land Agency.
HAVING ASSOCIATED MYSELF WITH GEN. J. D. IMBODEN, of the City of Richmond, Va., to whose card below I refer the public,
FOR THE SALE OF LANDS, MINES, &c., in North Carolina, I invite those persons in the State having such property for sale, to address me at Reidsville, N. C., and steps will be taken, at once, to call the attention of Northern capitalists to all such property.
Jan. 9th, 1868. D. W. COURTS.

Virginia Central Land Agency.
I HAVE VERY RECENTLY PERFECTED THE organization necessary to conduct, on the largest scale, the business of selling
Lands, Mills, Mines, Furnaces, Water-Powers, &c.
My partner, Colonel R. J. PAGE, is in charge of our office in New York. In Philadelphia and Baltimore, I have Associates of the highest respectability and responsibility.
And for the sale of Lands, Mines, &c., in North Carolina, I am associated with D. W. COURTS, Esq., of Reidsville, for many years State Treasurer of N. C.
The facilities this Agency offers for the sale of Lands are not surpassed in the South. In regard to Mines of all kinds, I have made contracts with parties in the cities North of this, who make that branch of the business a specialty, both in this country and Europe, assuring to me the widest possible field of operations, and in this city I have the aid and services of that accomplished Mineralogist and Assayer, Col. WILLIAM GILHAM, for the prompt analysis of all minerals that may be sent to me—thus determining the value of mines, before they are offered for sale.
TERMS:—For selling lands, five per cent commission on all sales actually made, but no charge whatever, unless a sale is effected. For Mines, an additional contingent fee, the subject of contract in each case, and payable out of proceeds of sale.
Reference is made to public men generally throughout the State, with most of whom I have the pleasure of being personally acquainted.

State Conservative Convention!

It is resolved by the State Executive Committee of the Constitutional Union Party of North Carolina, that a State Convention of the party be held in the City of Raleigh, on WEDNESDAY, the 5th day of February, A. D. 1868, at 11 o'clock of that day.

It is confidently hoped that the friends of a Constitutional Union and civil liberty will be active in the effort to make the Convention the largest and most respectable that ever assembled in the State.

Let the Conservative people in every County of the State, where meetings have not been held, hold meetings at once, pass appropriate resolutions, appoint delegates and see that they attend the Convention.—The conditions of public affairs demands the patriotic effort and co-operation of every good citizen, to save the country from its pending danger.

By order of the State Executive Committee.

R. C. BADGER, Secretary.

January 4th, A. D. 1868.

THE DANGERS TO THE REPUBLIC, as we read the signs of the times, are most imminent. The events, which are now fast crowding upon the American people, bode the destruction of constitutional liberty.—Yet the nation appears to be dreaming and dozing over the pregnant occurrences of the day, as if all were secure, and as if the foundations of our Republican institutions were as immovable as the everlasting hills. Forty years ago, the country would have been in a blaze of patriotic fervor, if a tithe of the dangers, which now menace the government, had developed themselves. Even as late as the recent war, nothing so roused the masses of the North, as the danger of dissolution and ruin which threatened the Union. But the war, when at its hottest, was not a hundredth part as threatening to the preservation of constitutional liberty and republican institutions, as are the events now transpiring.

We have been strongly impressed with the belief, for some time, that the leading spirits in the Radical party were utterly hostile to Republican Government. This hostility is European in its origin, has been fostered and propagated by foreign gold, and for many years was only exhibited ostensibly in opposition to the Constitution and the government, because of their alleged countenance and support of African slavery. This opposition to the intrinsic republican features of the Constitution was concealed behind the more open hostility to slavery, but is now, however, out-cropping in the bolder attempts to destroy the government by hampering the Executive and Judicial departments, and substituting in their stead the will of Congress, to be executed by a MILITARY DICTATOR!

The stupor of the nation, under such a state of things, is truly alarming. The cry of "Union" and "loyalty," by the Radicals, has proven to be a lullaby to the nation.—Liberty, abolition of slavery, universal freedom, have been the watch-cry of those who are forging the chains and manacles with which to bind forever American freemen. Universal suffrage to the blacks, professed devotion to the democratic principle that suffrage is essential to liberty, has been the deceptive agency, by which liberty is to be throttled and destroyed. "Liberty, equality, fraternity," was but the syren that lured the French people on to the Empire. And "Union," "loyalty," "freedom" and "equality," are but the hypocritical pretences, which are luring on our people to the destruction of the Republic.

We observe that although the evidences of anti-Republicanism in the so-called Republican party are so palpable, that "he who runs may read," the great body of the Democrats and Conservatives, at the North, seem quite content to leave events wholly to the decision of the next Presidential election. It is said that many, even of the Republican party at the North, are alarmed at the extravagant strides of the Radicals of Congress, and that letters of remonstrance are pouring into Washington. But this is but whistling to the winds. We see no outpourings of the people and do not hear them speaking in thunder-tones to the Congress. They are pondering and arranging for the coming contest in the Presidential election. But who *knows* that we shall ever have another Presidential election, unless the people awake and arouse themselves? Who *knows* but that Andrew Johnson is the last in the line of United States Presidents? Already the country has been brought to the very precipice by the temporising, dallying, too confiding policy of those to whom its destiny has been committed.

The time-serving, temporising, double-dealing policy of James Buchanan and Abraham Lincoln forced the war upon us. It might have been prevented, if they had spoken out with the frankness and plainness of men, who held in their hands such mighty interests. Mr. Johnson, it is plain, has been too temporising, too confiding even in those who have been the boon companions of his worst enemies and the enemies of his country's peace and happiness. The people, we fear, are too confiding—have too much confidence in the men who control public affairs. If the evidences of their hostility to Republican government, of their incapacity or indisposition to preserve the Federal Union of States, of the want of virture, of economy in the public expenditures, are not palpable enough to warn the people, there is danger that no warning will ever come, until this Republic is overwhelmed and destroyed. Like all others which have gone before it!

Virtue and intelligence are the only solid basis of Republics. Intelligence alone, where the moral powers of the people are left uncultivated, can never fit them for self government. At a time like this, when public virtue has almost entirely fled the country—when sharpness and keen villainy are at a premium,—to attempt to steer the ship of State and manage her crew, when she has taken on board an ignorant, semi-barbarous mass of human beings, to stand before the mast, as equals to the "old salts," is a task beyond human power and human skill.

MR. TOURGEE.—The "black and tan" Radical paper, in this city, we learn, continues to urge the claims of Mr. Tourgee to fill the vacancy on the Superior Court bench, created by the resignation of Judge Fowle. Mr. Tourgee, we learn, has never practised law in this State, nor has he been licensed as a lawyer, by our Supreme Court. Lawyers coming from other States, of respectable standing, find no difficulty in obtaining license from our Supreme Court. Col. Cilley, Mr. Lehman, Mr. Seymour, Col. Deweese, and others, have found no impediment.—Why has not Mr. Tourgee obtained permission?

It will be seen that Mr. Welker, of Guilford, has introduced a resolution in the Convention, authorizing some change in the manner of admitting lawyers from other States to the bar. Is this designed to relieve the case of Mr. Tourgee? Radical as the Convention is, we hope it will do nothing which would, in the least, prevent that protection to the respectability of the profession of law in the State, which it has hitherto sustained. Many people have not the highest opinion now of the high moral character of some members of the profession, and if the gap is let down lower than it has been, the opinion of the public will not likely be much improved.

MORE GAGGING.—We have been informed that the "black and tan" paper in this city advises the Radical majority in the so-called Convention to *stifle* the small but patriotic band of Conservatives in that body. This is to be done, *we suppose*, through the agency of that gag-law, known as the "Previous Question," or, possibly, in some other manner best known to the Radicals themselves. Those who war against the liberty of the Press will not scruple to extend their crusade against the freedom of speech. Fortunately, the Conservatives in the Convention, though few in number, know their rights and will maintain them.

This suggestion of the Radical organ is the most effective evidence, that could possibly have been furnished, that Mr. Durham's resolutions were a "bomb shell" in the camp. Certainly, they scattered in every direction to avoid the explosion.

THE NEGRO NOT A NEGRO.

We are glad to see that the Press, very generally, are denouncing the assault of the Radical Convention upon the liberty of the Press, as indicated by their recent action with regard to the Reporter of the *Sentinel*.

That action, however, was not simply a blow at the freedom of the Press, but, taken in connection with the discussion that was had upon the resolution adopted, it was equivalent to a formal "Conventional" decision that the negro is *not* a negro, that to call him so offends the fastidiousness of North Carolina Radicalism, and that there is no difference, in point of fact, between themselves and those who have heretofore been popularly *supposed* to be negroes, Q. E. D. We do not propose, at present, to contest the point.

The following excellent observations are from the *Old North State*:

"We feared that the Convention would be a very Radical body, but we were not prepared to see it go this length. The term *negro* is as much a generic term, as the term *Caucasian*, and it is difficult to understand how any sensible man of either race can object to its use. But it seems that we have a party among us who are as crazy as the Red Republicans of the French Revolution, whose ideas and mottoes they seem to have adopted. The old cry of that day—"Liberty, Fraternity and Equality with all men," has been revived in this State. The white Radicals in the Convention, while affecting to deny that they favor any thing like fraternity and social equality with the negro, yet treat as offensive a report of their proceedings which designates by the proper term the races to which its members belong. They seem to be determined that *their* equality with the negro race shall be admitted, and for one we are little disposed to dispute it. But that the negro is not the equal of the Caucasian race generally has been proven by their whole history as a people. It is curious to reflect that among those who voted for this resolution are some who have been noted for their life long hostility to the negro race.

The thanks of the Conservative people of the State are due to Mr. Durham for the able and eloquent opposition which he made to this resolution, and to those gentlemen who joined with him in presenting a protest against it."

CORRECTION.—Our Reporter inadvertently omitted to record Mr. Williams, of Sampson, as voting in the negative on the indefinite postponement of Mr. Durham's resolutions.

HON. A. H. LAFLIN, Radical member of Congress from New York, has arrived at the Yarborough House. What's up?

Dr. G. W. Blacknall, of Kittrell's, recently killed two hogs, twenty-three months old, weighing 513 and 545 pounds, respectively.

Ben Wade is growing moody and ill-natured over the prospects of the party, and remarked to a friend recently, in language, not classic, but characteristic, "Everything is going to hell!".

The ex-Empress Carlotta was informed for the first time, four days ago, of the death of Maximilian. It is not known how she received the announcement, nor has any report since been made of her condition. The remains of the late Emperor Maximilian were landed at Trieste with imposing ceremonies.

The "Constitutional Convention," (So-called.)

MONDAY, Jan. 20, 1868.

The Convention was called to order at 11 o'clock.

Prayer by the Rev. H. T. Hudson, of the city.

Mr. J. G. Marler, of Yadkin, appeared, was qualified and took his seat.

J. E. O'Hara (negro) was sworn in as Engrossing Clerk.

Mr. Abbott submitted a communication from Colton Swepson, of Sampson, in relation to the late election of delegates in that county, and moved its reference to the Committee on Elections.

Also another from W. D. Pearsall, of Duplin, which was referred to the Committee on the Judiciary.

Mr. Colgrove, a memorial from citizens of Jones county, in relation to change of county line. Referred to Committee on Counties, &c.

Mr. Welker introduced an ordinance, providing for the admission of members of the bar from other States to practice in the Courts of North Carolina. Lies over.

Mr. Hodnett introduced the following resolution, which lies over:

Whereas, Protection to the rights of person and property, the fruits of industry and prudence, are the corner-stones on which civil liberty is built, as recognized in our Constitution of 1776: Therefore,

Resolved, That the action of this Convention should recognize this axiom, by providing that the Legislative power consists of two branches—the one representing persons and the other representing property—each of said branches having co-equal power, so that no act of the Legislature, not approved by each branch, should have validity; the electors for the Commons to consist of all male citizens, above the age of 21 years, and the electors for the Senate to consist of all citizens of like age, who have listed property for taxation, at the listing next before such election, of the value of $250, or upwards, and who have paid the taxes assessed thereon.

Mr. Abbott introduced a resolution of instruction to the Committee of sixteen, to inquire into the appointment of a Committee of Immigration; which was referred.

By Mr. Mann: A resolution in regard to the annoyance in the lobbies, by persons without invitation, and a resolution inviting U. S. officers to the floor. Lie over.

By J. W. Hood, of Cumberland, (negro,): A resolution in regard to the *per diem*, viz:

That each delegate to this Convention, and each elective officer, (the President excepted,) shall receive six dollars per day and twenty cents mileage to and from the Convention; and that the President shall receive ten dollars per day, and twenty cents mileage. Lies over under the rules.

The question as to the election of an Engrossing Clerk was next taken up, and the resolution of Saturday, against the appointment of such an officer, was voted down. Yeas 30, Nays 89.

Mr. Morton, of Stanly, nominated Joel Ashworth, and, on motion, he was declared elected without a vote.

Mr. Bradley's resolution, of Saturday, came up, providing for a Committee to wait on the Governor and inform him of the organization of the body, &c.

Mr. Tourgee moved to strike out the words "His Excellency, the Governor of N. C.," and insert the words "Gov. Worth," simply.

Mr. Abbott, while he did not recognize the State government, yet said that he was in favor of acting courteously, and wished to address him as was customary.

Mr. Jones, of Washington, said that the members of the U. S. Hall recognized Gov. Worth in his official capacity, and that they were acting under their authority. He did not see how they should involve themselves by a similar recognition. He would vote for the orignal resolution.

Mr. Tourgee said he could not regard the original resolution as anything else than committing them. That was the reason he introduced the amendment, and why he should support it.

The amendment was put to vote and lost; and Mr. Bradley's resolution was then adopted.

Mr. Peterson's resolution of Saturday, calling upon "the Provisional Secretary of N. C." for certain documents, came up.

Mr. Durham wished to know if there was such an officer as the "Secretary of N. C." There was no such office. His proper designation was the "Secretary of State."

The resolution was amended to make it read "the Provisional Secritary of State," and adopted.

Harris, of Wake, (negro,) moved that the Convention proceed to elect a Printer.

Mr. Tourgee said that an officer of this Post had informed him that the military would have the necessary printing done.

J. H. Harris (negro) withdrew his motion and moved that the matter be referred to the Committe on Printing, when such Committee shall be formed. So ordered.

Mr. Durham asked information in regard to the protest offered by himself and other delegates, several days since.

The President replied that it had been entered on the record by his direction.

A. H. Galloway, (negro,) offered the following resolution and asked its reference to the Committee on Bill of Rights, when formed:

"That all persons shall enjoy equal rights and privileges, while travelling in this State, in any conveyance of a public character, and all business places or places carried on by a charter, for which a license is required from either State or Municipal authority, shall be deemed places of a public character, and shall be opened to the accommodation and patronage of all persons, without distinction or discrimination on account of race, color or previous condition." Referred.

Mr. Rodman offered an ordinance, to employ a competent stenographer to report the proceedings and debates of this Convention, in a condensed form, whose pay shall be the same as that of a member of the body. Lies over.

On motion of Mr. Rich, of Pitt, a recess was taken until 3 o'clock, P. M., in order to allow the President an opportunity to arrange the committees.

AFTERNOON SESSION.

At 3 o'clock, the President being absent, Mr. Welker was, on motion of Mr. Heaton, called to the Chair.

Mr. Tourgee offered an ordinance to prevent oppression in the Courts in criminal causes. Lies over.

Mr. Patrick, an ordinance for the relief of the people. [He said the people were very much indebted, and he introduced this ordinance to prevent the sacrifice of property.]

Mr. Tourgee, an ordinance in regard to the juriadiction of the Courts. Read and ordered to be considered in Committee of the Whole, to-morrow, when the Convention takes up Mr. Rodman's ordinance.

Harris, of Wake, (negro,) moved to go into an election of a Reporter.

Mr. Hodnett wished to know if the House did really intend having such an officer. He said it was unprecedented.

Mr. Tourgee made a point of order. He said Mr. Rodman's resolution, this morning, covered the whole matter, and it lies over under the rules. The Chair sustained the point.

Mr. Heaton moved that a recess be taken for ten minutes, until the President should come in. Carried, and

At the expiration of the time the President called the Convention to order, and announced the following Committees:

Bill of Rights: Heaton, Harris, of Wake, (negro,) Nicholson, French, of Chowan, Patrick, Gahagan, Pool, Etheridge, Fisher, Dowd, Durham, Carter and Garland.

MR. DURHAM'S RESOLUTIONS—THE MATTER IN A NUT-SHELL.

MESSRS. EDITORS:—I am not astonished to see the studied efforts of the *would be leaders* of the *Radical* Republicans, in the Convention, to avoid the effect of the action of that body, on Saturday last, on Mr. Durham's resolutions. They say, and hope, the people are dupes enough to believe them, that the object of the resolutions was to distract the Convention,—at all events, the "loyal" part of it,—and prevent harmony in the Republican ranks. Who cannot see through this ridiculous *subterfuge*? The resolutions, to my mind, embody a *grand principle* underlying the whole action of the Convention; and that is, whether the Convention will provide for negro *equality* and *domination* or not. If the Convention intend to establish negro equality and place the negroes of the State in a position to *rule*, then the disposition of the resolutions is all right. The *indefinite postponement* of the resolutions amounts to no more nor less than an affirmance of the purpose of the Convention to *establish negro equality* and the people ought to know it, and they ought to know who voted for such dreadful policy and who did not. I trust that Mr. Durham and the handful of Constitutional Union men in the Convention can't be frightened to death by the blustering and threats of men without principles or power to injure them. If the Convention wants to assume the responsibility of suppressing free speech and a free press, let them do so like men and not go sneaking about it.

WATCH AND WAIT.

RADICAL RIGHTEOUSNESS.—The city of Richmond elected Judge Underwood, Mr. Hunnicutt, two negroes, and another Radical, (white,) by some four or five hundred majority. The white population charged both a fraudulent vote and registration, and in one of the wards Gen. Schofield has had a census taken of the persons authorized to vote under the reconstruction laws.

Now, what is the result of this military census in Monroe Ward? Simply this, that some six hundred negro names are ascertained to have been fraudulently placed on the registration lists; there is nobody found to respond to their names. These names were voted, however, at the election. Negroes were brought in from the county who answered to the names, and the election was kept open three days, up to midnight of the third day, in order to enable the fraud to be consummated. As there are five wards in Richmond, it is probable that the total number of negroes fraudulently registered in that city is fully two thousand, and in the entire State not less than twenty or thirty thousand. By this means—"right-eousness," we think, they call it—and by disfranchising fully a third of the whites, the South has been carried.—*Nat. Intel.*

The first section of the new reconstruction bill declares that the State governments of the excluded States "shall not be recognized as valid either by the executive or judicial power of the United States." The court has several important suits before it hinging upon this question of the validity of the Southern State governments. This act forbids the judges from declaring those governments valid, even if they are unanimous in that opinion. The parties on one side of the suits pending will rejoice at this extraordinary legislation in their favor; *but what becomes of justice and equity, or what is the use of keeping up the show of a Supreme Court, which is directed by a majority vote of Congress what decisions it may or may not make?*—*Springfield Republican.*

NIP AND TUCK.—It seems that two of our delegates, Galloway and Abbott, are running the machine. Galloway placed in nomination the President, Secretary and Doorkeeper, and Abbott, the Assistant Secretary. The second day's proceedings disclose the fact that these two delegates occupied the floor *eighteen* times. Upon the first quarter they kept shoulder to shoulder, but when the elections were over and the offices disposed of, Galloway seemed to have lost breath, or the proceedings got too profound, when his colleague distanced him in fine style, scoring *thirteen* to his *five*.—*Wilmington Journal.*

Gen. Grant was on the floor of the House yesterday afternoon, urging, it is said, members not to pass the new reconstruction bill, or particularly that portion of it giving him power to appoint and remove commanders and civil officers in the Southern States. If the report be true, the reason of the course of the General is quite obvious.—*Nat. Intel.*

General Ord was at the Executive Mansion yesterday, and had an interview with the President. The General stated to the President that general negro suffrage would meet with little success in the Fourth Military District; that many of the blacks, as well as the whites, were becoming opposed to it.—*Nat. Int.* 17th.

QUITE WORD OF HONOR.—The *National Intelligencer* republishes what it said a few days ago in regard to the understanding between the President and General Grant, and adds:

"The above statement of facts was made by us deliberately, carefully, and advisedly. We repeat and reiterate it in the most emphatic manner. *We know it to be true in all its length and breadth, and we challenge Gen. Grant to deny it in a single particular.*"

THE ÆTNA LIFE INSURANCE COMPANY OF HARTFORD.

ASSETS OVER $7,000,000.

PAID POLICIES BY DEATH, IN NORTH CAROLINA: $33,000.

Judge E. A. BULKELEY, President. | T. O. ENDERS, Secretary.

W. H. CROW,

MANAGER AND GENERAL AGENT FOR THE STATE OF NORTH CAROLINA AND PART OF VIRGINIA.

IN COMPARING THIS COMPANY WITH FORTY-TWO COMPANIES, AND BY THE REPORT of the Insurance Commissioners of Massachusetts, the following facts appear, under OFFICIAL ENDORSEMENT:

1st. The Ætna issued more policies than either of forty other Companies. More than four times the average, AND NEARLY ONE TENTH OF ALL.

2nd. That excluding Capital, the Ætna's ratio of Assets to liabilities is larger than that of twenty-nine Companies, AND MORE THAN THE AVERAGE OF ALL.

3rd. That the Ætna's receipts are larger than those of either of thirty-eight other Companies, and more than three times the average, and more than one-thirteenth of all.

4th. That the Ætna's ratio of expenses to receipts is less than that of twenty-nine other Companies, and less than the average of all.

5th. That the Ætna's ratio of increase in premium receipts to its cost, is greater than that of any other Company, and four times the average. [See table "C," in Insurance Report.]

6th. That the Ætna's ratio of losses is sixteen per cent less than the average.

7th. That the Ætna's ratio per cent. of increase in assets is greater than that of any other Company, and more than four times the average.

It will be observed from these comparisons that many Companies do not make so good a showing as the Ætna, although they are unquestionably reliable.

The "ÆTNA" is an old and well-tried institution, and the above extract from the highest official authority upon the subject of Life Insurance commends the Company at once to the thoughtful and serious enquirer, who wishes to make a CERTAIN provision for those depending upon him.

The Ætna loans her customers one-half the premium as long as life lasts, at six per cent., if desired, and gives no restrictions in location or travel in the United States, at any season of the year, and pays her members the

LARGEST DIVIDEND

of any Company doing business in this State, and is PERMANENTLY LOCATED HERE; has paid more Revenue into the STATE TREASURY than any other Company, and paid more money to Widows and Orphans than any other, and therefore, with all of these facts, well deserves the largest patronage, and IS RECEIVING IT.

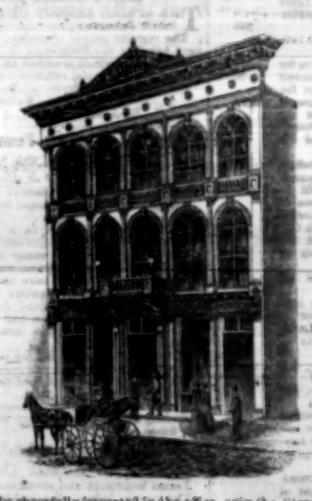
The ÆTNA, being a STOCK COMPANY, gives all the benefit of dividends to her insured and none of the liabilities usual in "Mutual Insurance."

Six per cent interest is allowed upon the Capital Stock of $150,000, and the balance of the profit goes to the insured, which profit or dividend is larger than any other Company doing business in the State.

The ÆTNA has over

$1,000,000

ABOVE LIABILITIES.



THE ÆTNA IS A STRANGER TO LITIGATION. A VERY IMPORTANT FACT. AND HAS NEVER REFUSED TO RENEW A POLICY LAPSED DURING THE WAR.

Any other facts will be cheerfully imparted in the office, over the Store of Messrs. W. H. & B. S. TUCKER & Co.

THE SENTINEL.

LOCAL DEPARTMENT.

TUESDAY, JANUARY 21, 1868.

CONVENTION.—The *Daily Sentinel*, with the proceedings of the Radical Convention, will be sent regularly for $1 for a month, or during the Convention, if its session does not greatly exceed that time.

TO SUBSCRIBERS.—Several of our friends have remitted us monies for new subscriptions, according to our last year's terms. In every case we give such subscribers full credit for the amount sent, according to our new terms.

NEW ADVERTISEMENTS.—North Carolina Masonic Mutual Life Insurance Company, Newbern: J. P. Dillingham, Secretary and Treasurer.

R. H. Albright, Esq., Greensboro, wishes to purchase a good No. 3 or 4 Washington Hand Press.

1,000 bales of cotton wanted: Len. H. Adams, Market Square.

Family Flour,—a superior lot: Lyon Adams, Market Square.

THE YOUNG MEN'S Christian Association will hold an adjourned session, this evening, at 7½ o'clock, at the Lecture Room of the Presbyterian Church.

As the meeting is one of more than usual importance, it is hoped that all the members will attend. Those of the public, who take an interest in the operations of the Association, are also invited.

STILL THEY COME.—We are indebted to W. M. Edwards, Esq., of Wentworth, for a handsome club of subscribers to the *Sentinel*. Numerous friends throughout the State are sending us smaller clubs. We cannot specify all the cases, but they will aggregately accept our grateful acknowledgments for their generous efforts in our behalf.

REV. T. H. PRITCHARD.—We are pleased to learn that this gentleman has accepted the pastoral charge of the Baptist Church in this City, to which he was some time since called. He will enter upon his duties about the first week in February.

STATE LIBRARIAN.—Gen. Canby has ordered that the newly appointed State Librarian, Theo. H. Hill, Esq., shall take the test-oath, which Mr. Hill, of course, cannot do. This strikes us as a very remarkable decision. The Librarian-ship is, in no sense of the term, an office, but simply an *appointment*, by Trustees. No oath has ever been required of the appointee. We take it, that if the proper representations in the matter are made to the District Commander, he will probably revoke such a ruling.

RUMORS.—Sensational rumors have been plenty as blackberries, on our streets, within a day or two past. One had it that *all* the civil officers in the State had been removed, at one fell swoop, by the Military Commander; another that only a certain portion of them had been displaced; and there were still others of an equally exciting character. So far as we have been able to learn, there is no foundation for any of them.

ARRESTED.—We learn that Rufus Whitaker, the negro who killed Burt, another negro, in this county, a few weeks since, has been arrested and committed to jail, to await trial at the next term of Wake Superior Court.

SARGENT'S DRAMATIC COMPANY.—The first representation, in this City, by this talented Company, takes place at Tucker Hall, this evening. There will be presented the fine five-act Drama of Damon and Pythias, and the Farce of Contentment or, Riches. To-morrow evening will be given Taylor's celebrated sensation play of "The Ticket-of-Leave Man."

CIRCUS.—Dan Castello's Circus will be in Wilmington, the latter part of the present month. "Dan" need not come this way.—We already have a standing Circus in the Capitol, which affords more amusement,—and it costs nothing to see it!

DISTILLERS.—We learned incidentally, on yesterday, that the rescinding of Gen. Sickles' order by Gen. Canby, in reference to distillers, was likely to mislead some persons disposed to go into the business. Gen. Canby's order, it must be borne in mind, does not affect the U. S. Revenue law a whit. We have not examined the law, but we learn, first, that any person, becoming a distiller, must purchase a *metre*—that the lowest price, at which these are sold, is $600, and, besides this, the tax must be paid on the liquor distilled. We should not be surprised if several members of Congress are more or less interested in this *metre* business. Better make bread and eat out of your corn, and good vinegar out of your fruit.

TELEGRAPHIC.

Tuesday Morning Dispatches.

FROM WASHINGTON.

WASHINGTON, Jan. 20, P. M.

Grant has gone to Richmond.

Gen. Sewall, who travelled from Holly Springs, Miss., to New Orleans, thence to Vicksburg, via Baton Rouge, reports to the Bureau an unsettled state of affairs. There is no telling what the result may be. Great destitution exists, but no starvation. The planters are without means.—Comparatively few of the plantations will be worked this year, with comparatively more attention to cereals. But few contracts are yet made with the freedmen. There is no organized plan on the part of the planters, governing the freedmen's wages. A limited amount of rations will be required in the river Counties of Louisiana, Mississippi, and Arkansas. There is little cause for apprehension inland. He reports that many Bureau Agents are worthless, and suggests that the cure is in selecting better men.

The Secretary of the Treasury has sent a communication to the Senate, regarding cotton claims. It appears that the Court of Claims denied the right of appeal to the Supreme Court, and that the Secretary, after ascertaining as nearly as possible the nett amount due on judgement, of the Court of Claims, paid them.

The Chief Justice was not on the Bench to-day, on account of sickness, causing much disappointment and delaying the McCardle decision.

The trial of Surratt is set for 24th of February.

The House Conference Committee on the Cotton Tax consists of Logan, Maynard and Brooks.

CONGRESS.

WASHINGTON, Jan. 20, P. M.

Senate.—The Secretary of the Treasury was called upon for information in regard to vessels purchased during the war and their cost.

The Senate refused to recede from the cotton tax amendment.

Messrs. Wade, Conkling and Morrell were appointed as the Senate branch of the Committee of Conference.

The Senate refused to recede from the amendments to the Anti-Contraction bill.

The case of Senator Thomas, of Maryland, was resumed. No action was taken.

House.—Among the bills introduced was one to compel steamboats to carry the newly invented fire extinguisher.

The reconstruction bill was resumed, Mr. Butler's amendment, vacating the offices, and allowing the Conventions to fill them, failed, and the House adjourned without reaching a vote.

PEABODY TRUSTEES—CONVENTION.

RICHMOND, Jan. 20, P. M.

Gen. Grant and lady arrived this afternoon.

Among the other Trustees of the Peabody fund, who have arrived, are Ex-Gov. Fish and Saml. W. Etmore, of New York, Hon W. A. Graham, of N. C., Jno. H. Gilfone, of Massachusetts, Geo. W. Riggs, Washington D. C., and Wm. C. Rives, of Va. Gov. Aiken, of S. C., arrives tomorrow, in time for the meeting of the Trustees at the Spottswood.

In the Convention, among the resolutions, was one disfranchising ex-members of Congress and all city and State officers, from Governor down to policemen. It laid over.

The eighth Section of the Bill of Rights was adopted, after the defeat of an amendment declaring suffrage inherent, by 47 to 80.

The amendment offered to the Bill of Rights, yesterday, declaring that Virginia is a co-equal member of the General Government, and entitled to all the benefits and subject to all the burdens of the other States, was laid on the table.

GEORGIA.

AUGUSTA, Jan. 20, P. M.

Gov. Jenkins has arrived here.

Heavy rain, accompanied by thunder and lightning, this evening.

FOREIGN—BY THE CABLE.

A Fenian manifesto was found, yesterday morning, posted on the Mansion House, Dublin. Such an instance of boldness, notwithstanding the rigorous Government measures, excites uneasiness.

CORRESPONDENCE BETWEEN GENERAL MEADE AND GOVERNOR JENKINS.

AUGUSTA, Ga., Jan. 17.—The correspondence between Gen. Meade and Gov. Jenkins is published.

Meade considers the ordinance passed by the Convention to levy and collect a tax defraying the expenses of its session, and requiring the Treasurer of Georgia to advance forty thousand dollars, the same to be replaced when the specific tax is collected, as an appropriation made by the laws in the sense used by the Constitution of Georgia, which provides that no money shall be drawn from the treasury except by appropriation made by law; he therefore requests the Governor to issue a warrant on the Treasurer for the amount called for by the Convention. He farther says that he is clearly of opinion that the Convention is authorized by the reconstruction acts to exercise such legislative power as may be necessary for it to discharge the duties which said act impose.

Gen. Meade cites as a precedent for his action the appropriations made by the Constitutional Convention which assembled in 1865, and concludes by asking the co-operation of the Executive department in the performance of the difficult and embarrassing duties devolving upon him.

Gov. Jenkins, after reciting the substance of Meade's communication, says that after a careful perusal, and with the clearest conviction of duty, he respectfully declines to comply with Meade's request, and states his reasons for refusing at some length.

1st. He considers the question as arising under the Constitution of Georgia, adopted in 1865, and the Constitution of the United States, both of which he has sworn to preserve, protect and defend. No appropriation having been made by the Legislature, and the Convention not having been called in accordance with the Constitution, but by Congress, he cannot comply with its behests. Congress cannot by its simple act appropriate money from the treasury of Georgia, and cannot confer on its agents larger powers than are possessed by itself. He does not consider the ordinance of the Convention as an appropriation made by law.

2nd. There is nothing in the reconstruction acts which saddles the treasury with the cost of their novel enterprise. They provide that the Convention shall levy a tax for the express purpose.

3. Apart from Constitutional principles involved, the liabilities of the State now pressing upon the Treasury would not warrant him in authorizing the Treasurer to advance money to the Convention.

Gen. Meade receives Governor Jenkins' communication with profound regret, and considers his action an impediment to reconstruction, but does not feel called upon to answer his argument, and removes him from office with regret, and entertains for him high personal respect as both are acting from a conscientious sense of duty.

THE SENTENCE OF MORRISS SCHAFF.

The sentence of the murderer of Col. Shepard, of Mount Vernon, has been promulgated. Schaff, it will be remembered, was tried about six weeks ago by a military commission on the following charges:

1st.—Manslaughter; 2d.—Assault with intent to kill; to both of which he pleaded guilty.

The prisoner was sentenced to six months' imprisonment in Fort Pulaski and a fine of $300; and on the 30th. ult., he set out from Atlanta, in custody of an officer of Pope's staff for his place of confinement.—*Mobile Advertiser and Register.*

Mark the difference! The murderer of a *white* man of distinction—shot down in cold blood while a prisoner in the hands of an officer of the United States Army—is tried by a military Commission and sentenced to a fine of $300 and to imprisonment for the term of six months.

Three men are tried in North Carolina, by a Military Commission, for the alleged offence of shooting a negro in the hands of an officer of the law (a negro just sent by an examining court to prison to await his trial for the foul crime of rape, his victim a virtuous *white* girl, orphaned and poor) and sentenced to death, but out of great kindness and leniency that sentence has been commuted to *only* fifteen years imprisonment at hard labor.

To kill a white man of honorable distinction like Col. F. B. Shepard is punishable with a fine of $300 and six months imprisonment; but to kill a negro guilty of one of the foulest and most damnable crimes subjects the alleged perpetrators to fifteen years imprisonment at hard labor.

Suppose for a moment Col. F. B. Shepard had shot and killed Capt. Schaff, can any one believe that the same punishment would have been meted to him as to his murderer.—*Goldsboro' News.*

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.

The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Important Order from Gen. Canby.

HEADQ'RS 2D MILITARY DISTRICT,
CHARLESTON, S. C., Dec. 31, 1867.

General Orders No. 104.

I. Paragraph II of General Orders No. 10, from the Headquarters of the Second Military District, dated April 11, 1867, is modified as follows:

SUITS FOR DEBT.

Judgments or decrees for the payment of money on causes of action arising in North Carolina between the 20th of May, 1861, and the 20th day of April, 1865, and in South Carolina between the 19th day of December, 1860, and the 29th day of April, 1865, shall not be enforced, by execution, against the person or property of the defendant. Proceedings for such causes of action now pending, shall be stayed, and no suit or process shall be instituted or commenced on such causes of action until after the civil government of the respective States shall be established in accordance with the laws of the United States.

Paragraph III of the same order is modified as follows:

EXECUTIONS.

Sheriffs, coroners and constables are hereby directed to suspend the sale of all property upon executions, or process under any judgment or decree of a court of the so-called Confederate States, or of the State of North Carolina, rendered between the 20th. day of May, 1861, and the organization of the provisional government of said State, under the President's proclamation of the 29th. day of April, 1865, or of the State of South Carolina, rendered between the 19th. day of December 1860, and the organization of the provisional government of the said State, under the President's proclamation of the 30th. day of June, 1865, unless the written consent of the defendant be entered of record, and except in cases where the plaintiff or his attorney, upon oath, supported by corroborative testimony, shall allege that the defendant is disposing of, removing, or about to remove, his property beyond the jurisdiction of the court, with intent to defraud his creditors; *provided*, that no such judgment, so rendered, within the periods aforesaid, shall be a bar to the commencement, in a State court, of a new suit upon the same cause of action in any case in which, by law, the defendant may remove or appeal the same to a court of the United States.

FORECLOSURE OF MORTGAGE.

The sale of real or personal property by foreclosure of mortgage, is likewise suspended in the cases embraced in paragraphs II and III, of said order No. 10 as above amended, except in cases where interest money accruing subsequent to the 20th. of April, 1865, shall not have been paid before the day of sale, and all previous restrictions on such sales are revoked.

Paragraph IV of the same order is modified by substituting the 20th. day of April, 1865, for the 18th. day of May, 1865.

Paragraph V of the same order is modified as follows:

SUITS ON XEBEC DEBTS.

All proceedings for the recovery of money on contracts, whether under seal or by parol, the consideration of which was the purchase of slaves, made subsequent to the 1st. day of January, 1863, are suspended. Judgments or decrees entered for such causes of action shall not be enforced.

Paragraph VII of the same order is modified as follows:

HOMESTEADS.

In all sales of property under execution or by order of any Court, there shall be reserved out of the property of any defendant who has a family dependent upon his or her labor, a dwelling house and appurtenances, and (if in the country) twenty acres of land, or so much thereof that the whole shall not exceed in value the sum of one thousand dollars; and if in a town or city, the immediate lot upon which such dwelling house is situated; and necessary articles of furniture, apparel, subsistence and implements of husbandry, trade, or other employment, to the value of five hundred dollars. The homestead exemption shall inure only to the benefit of families. In other cases the exemption shall extend only to clothing and implements of trade or employment usually followed by the defendant, of the value of two hundred dollars. The exemptions hereby made shall not be waived or defeated by the act of any defendant who has a family dependent upon him or her for support, and the exempted property shall be ascertained and defined by the Sheriff or other officer enforcing the execution, who shall call to his aid two impartial citizens to make the necessary appraisement, and shall make report thereof to the Court.

ARREST FOR FRAUDULENT DEBTS.

Paragraph X is hereby modified so as to authorize arrest in civil actions *ex contractu* only in cases where the demand is past due, and the defendant has been guilty of a fraud in contracting the debt sued for, or has removed or disposed of his property, or is about to do so, with intent to defraud his creditors, or is about to leave the State with such intent.

EXECUTORS AND TRUSTEES.

Paragraph XVI, is amended by adding thereto: All proceedings in any court of North Carolina, or South Carolina, recognizing or sanctioning the investment of the funds of minor heirs, or of females, or of insane persons, in the securities of the late rebel government, or the securities of the States of North Carolina or South Carolina, created for the purpose of carrying on war against the Government of the United States, will be suspended until the question of the validity of such investments shall have been determined by the courts of the United States, or by national legislation. And nothing in the provisions of this order, or of the order No. 10 above cited, shall be held to bar or hinder the recovery, by suit, of the estate of any minor heir, female or insane person, (*cestui que trust*), whether in the hands of executors, administrators, trustees, guardians, masters or clerks of equity courts, and other fiduciary agents, or invested by them in their fiduciary character.

DISTILLERIES.

II. General Order 25, of May 20, 1867, is revoked; and on and after the first day of January, 1868, the distillation of spirituous liquors in this Military District will be subject to such restrictions only as are imposed by the laws of the United States and of the States of North and South Carolina, respectively.

BAR ROOMS.

III. Paragraphs VI and VII of General Orders No. 32, dated May 30, 1867, are revoked, and the power to grant licenses for the sale of spirituous or intoxicating liquors is remitted to the proper local authorities, to take effect on and after the 1st. day of January, 1868, and to be subject to the following conditions:

1. The municipal authorities granting the license shall be answerable that the parties to whom such licenses are granted, together with their sureties, shall be responsible persons and of good moral standing in the community, and that both principal and sureties shall be able to qualify individually in double the amount of the bond required, and that the bond shall be a lien upon the personal property of both principal and sureties, and upon proof of default shall warrant the summary seizure and sale of so much of the property of either or both as may be necessary to satisfy the forfeiture or fine and costs.

2. Drunkenness or disorderly conduct on the premises shall work the forfeiture of the license and of the penalty of the bond.

3. The owner or keeper of any bar-room, saloon or other place at which intoxicating liquors are sold, and all other persons interested or connected therewith, shall be regarded as principals in any action of damages growing out of any assault, riot, affray or other disorder occurring on the premises, or directly traceable thereto.

4. All bar-rooms, saloons or other places at which intoxicating liquors are sold, shall be closed on the day or days of any general or local election, and for the twelve hours next preceding the opening and next succeeding the closing of the polls at such election; and the sheriffs of counties and districts and the chief of police of cities and towns shall have power to direct the closing of bar-rooms and other places for the sale of intoxicating liquors, whenever it may be necessary in their judgment to preserve order and quiet.

5. The proceeds of all licenses, forfeitures and fines, under the local regulations or under the provisions of military orders, will be devoted to the support of the poor, and as soon as realized will be turned over to the Commissioners or Overseers of the poor of the District, County, City or Town in which they are accrued, and the Commissioners or Overseers will at the end of each month report to the Provost Marshal-General of the District the amount received by them during the month, specifying the name of the parties from whom it was received.

6. The penalties imposed by this order or by the local police regulations, may be enforced in any civil or military Court, and upon conviction the Court may award to the informer a sum not exceeding fifty per cent. of the forfeiture or fine. And it is made the duty of all Sheriffs, Constables, and Coroners of Counties and Districts, and the police of cities and towns, to be vigilant in the enforcement of the police regulations and the provisions of this order in relation to the sale of intoxicating liquors.

The provisions of this paragraph will be held to apply to such licenses granted under General Orders No. 32, to inn-keepers, as remain unexpired after the first of January, 1868.

DISTRICT COURTS.

IV. To promote the speedy trial of prisoners confined for minor offences, and diminish the cost of their maintenance, all committing magistrates will, on the 15th. and last days of each month, report to the judge of their county or District Court all commitments made by them during the preceding half month, specifying the date of commitments, the names of the prisoners, and the offences for which they were committed, to the end that the judges may, whenever in their opinion the number of prisoners or other considerations of public interest call for it, hold
